**FOR IMMEDIATE RELEASE**

**MACDERMID ANNOUNCES THE APPOINTMENT OF VICE PRESIDENT BUSINESS  
DEVELOPMENT FOR OFFSHORE SOLUTIONS**

MacDermid, Incorporated announced today that Steve E. Racca, Jr. has joined the company as their Vice President of Business Development for MacDermid Offshore Solutions. In this position Mr. Racca will be responsible for managing sales activities and other commercial efforts on a worldwide basis and will be reporting directly to Mark Hollinger, President of MacDermid Offshore Solutions. Mr. Racca, most recently Commercial Director for Acergy, brings over 23 years of experience in sales, marketing and management in the international oil and gas industry.

Mark Hollinger commented "We are very excited to bring someone of Steve's caliber to the MacDermid Offshore Solutions team and look forward to working with him as we build upon our market positions."

MacDermid Offshore Solutions provides products and services for the offshore oil industry, worldwide. Our market leading Oceanic and Erifon water-based fluids are used for hydraulic control of valves in offshore drilling and production systems.

MacDermid Inc. is a leading global provider of high value-added specialty chemicals and technical services. MacDermid serves the metal and plastics finishing, electronics, oil production and drilling, and graphic arts markets. Established in 1922 MacDermid employs over 2,500 people in operating facilities located in over 20 countries.

Please feel free to contact Mark Hollinger, President of MacDermid Offshore Solutions, at (713) 472-5081 with any questions.
